

REMARKS

Claims 1-5 are pending in the application.

Restriction Under 35 U.S.C. § 121

Applicants have elected to pursue claims 1-5 in the current application. Claims 1-5 are drawn to an apparatus comprising an inflatable body with a plurality of support structures and an antenna disposed on the outer surface, shown in FIG. 2 and classified in class 343, subclass 720. Applicants reserve the right to pursue claims 6-14 in a separate divisional application.

Conclusion

It is respectfully submitted that the Office Action's rejections have been overcome and that this application is now in condition for allowance. Reconsideration and allowance are, therefore, respectfully solicited.

If, however, the Examiner still believes that there are unresolved issues, he is invited to call applicants' attorney so that arrangements may be made to discuss and resolve any such issues.

In the event that an extension of time is required for this amendment to be considered timely, and a petition therefor does not otherwise accompany this amendment, any necessary extension of time is hereby petitioned for, and the Commissioner is authorized to charge the appropriate cost of such petition to the **Lucent Technologies Deposit Account No. 12-2325**.

Respectfully submitted,

Alan M. Lyons
